August 1 - Arrive London and transfer to Rubens at the Palace for 5 nights. Our rooms will not be ready for occupancy so this afternoon we will head for the London Eye and see the city from the giant ferris wheel over the Thames River. After our view from on top, we will board the James Bond High Speed Boat for a 50 minute ride on the Thames so fasten your seat belts!! Tonight, dinner suggestions in the neighborhood!

August 2 - After our full English Breakfast - we will board our coach and with our guide go for a visit around London sites and to the Tower of London. We will hear the chilling stories of those who have been imprisoned here from the Beefeaters, see the famous ravens, and the Crown Jewels!

We will enjoy lunch on the pier close by, and then depart with our coach and guide for Chelsea Football Stadium at Stamford Bridge. Home of the Chelsea Soccer team, we will get all in motion for the season and dreams of the World Cup.

August 3 - Our day begins with a walking Harry Potter Tour. Our guide will show us locations in London where Harry enjoyed his adventures!

Then we board the Thames Clipper for a boat ride up to Greenwich to see the Royal Observatory, Meridian Line, and the Cutty Sark.

Tonight, you might enjoy a play at London's West End theaters. We will make suggestions.

August 4 - This morning we will visit the Household Cavalry Museum (Horseguards), see the Royal Mews, and take a walk through St. James Park to see the Royal Palaces. For those who would like an optional tour of Buckingham Palace, we will secure a time and tickets.

August 5 - This is a free day to enjoy what you want. We suggest today would be a good time to visit the Museum of Natural History, the Tate Modern Museum with its Turbine Hall, see The Globe Theater, go to the top of St. Paul's, or visit the Imperial War Museum. For those who want to take a train ride, a half day to Windsor to see the castle, or a trip to see Wimbledon is possible.

August 6 - Early transfer to Heathrow for return home.
